I am interested in receiving information about automatic withdrawal for pledge payments.

The standard of giving in the Episcopal Church is the Tithe (10% of income). If that is difficult, you may want to work towards the tithe in 2016 by taking a "forward step" – increasing your giving by 10% or more. The Chart to the right can help.

At right, find your present weekly or monthly giving and, if possible, give the suggested amount.

Feel free to "round" amounts. If Present Giving is not shown, combine amounts:

If you now give \$22, find \$20 & \$2 under Present Giving and add Suggested Giving together (\$24.20).
